### **ABOUT THE IASH MEETING**

The Albanian Scientific Institute “Alb-Shkenca” (IASH) is a multidisciplinary Institution composed by 9 Scientific Sections: Medical Sciences, Natural Sciences, Social Sciences, Economic Sciences, Law Sciences, Soil and Environment Sciences, Agricultural sciences, IT and Engineering Sciences, Mathematics and Physics.

The Annual Meeting of the IASH are held in the triangle Albania-Kosovo-Macedonia, aiming to put together all Albanian-speaking scholars in order to exchange experience and learn from each other.

During the 3 days of the Annual Meeting the Conferences of the different Scientific Sections are held as parallel meetings.
